THREE MEN ARE BLOWN TO PIECES

Missed Shot Explosion Wreaks Havoc Near the Waldorf-Astoria Hotel.

FRAGMENTS OF BODIES ARE WIDELY SCATTERED

Superintendents Are Arrested on Charge of Criminal Negligence.

NEW YORK, Dec. 19.—Three men were blown to pieces, seven others were more or less seriously hurt and the occupants of fashionable hotels and residences in the vicinity of Fifth avenue and Thirty-fourth street were startled today by an explosion of dynamite in an excavation for the new Altman building.

Human Fragments Scattered.
Fragments of the bodies of the dead were scattered over an area of hundreds of feet, and it was hours before the exact number of victims of the accident could be determined.
The explosion was caused by a workman, unidentified, striking a heavy charge of dynamite which had been placed in a drill hole in a ledge of rocks several days ago and which defied all efforts to explode it at that time.
Caused by Missed Shot.
Today the workmen started to redrill the hole with no thought of the deadly charge which it concealed. There were eight men in the excavation at the time, but only a few of them were near the loaded hole when the steel drill plunged into sticks of dynamite.
Roar Is Terrific.
There was a terrific roar, the air was filled with particles of stone, fragments of human flesh, pieces of timber, dirt and smoke.
Scarcely a trace was found in the excavation of three men who had stood almost directly over the hole and when the smoke cleared away seven others who had been within range of the concussion were stretched out on the ground, their faces and bodies torn and seared.

Brings Waldorf Guests.
The sound of the explosion brought guests hurrying from the Waldorf-Astoria hotel, situated directly across the street from the scene of the disaster, and from many similar places in the vicinity.
Body on Tool House.
Portions of the body of an Italian were found in Thirty-fourth street, nearly 250 feet from the point where the dynamite exploded, and another body was found on top of a tool house, more than 100 feet away. Fragments of the third body were found far from the excavation.
Superintendents Arrested.
Jacob Metzger, superintendent for Post & McCord, contractors, and Frank Anderson, superintendent for the O'Rourke Construction company, were arrested soon after the accident on a charge of criminal negligence.

Stickney's NEW TARIFF Cigar 5c.
The new commercial treaty did it. Nothing but the reduced duty on Cuban tobacco has made such a cigar possible for 5 cents.
The "New Tariff" we guarantee superior in quality of leaf to any other five-cent cigar sold in America. It is in every way the equal of most cigars sold for ten cents.
All the "New Tariff" Cigars are alike, a result not due to the ordinary process of mere mixing of the cured leaf, but to skillful blending. That means all the difference between a genuine blended smoke and an ordinary hap-hazard tobacco sandwich.
Every modern appliance that tends to perfect cleanliness is used in the making. The "New Tariff" gives you a rich, even smoke that is also an absolutely clean one.

FITZ A FAVORITE IN THE COMING BATTLE
Change in Odds Due to Excellent Showing Made in Training.
SAN FRANCISCO, Dec. 19.—There has been a change in the betting on the Fitzsimmons-O'Brien glove contest which is scheduled for tomorrow night.
Cornishman Is Favorite.
The volume of money which poured into the pool rooms last night and this morning on Fitzsimmons has made the Cornishman favorite and good judges of odds declare that when the men enter the ring Fitz will be a 10 to 7 choice. Fulton G. Berry of Fresno was one of the heaviest bettors on Fitz.
Due to Training.
The change in public opinion as to the outcome of the fight is believed to be due to the good impression made by the Cornishman during his training. Fitz certainly looks fit and despite his age he expects to win. The change in the betting has not lessened O'Brien's confidence in the least.
Both men are in fine condition and there is every indication that the contest will be one of the most interesting ever witnessed here. The attendance promises to be very large.

RECOVERS HER JEWELS
Woman Refuses to Send Girl Thief to Prison.
NEW YORK, Dec. 19.—Mrs. Mary R. Wright, widow of J. Hood Wright, the founder of the hospital bearing his name, last night recovered gems, jewelry, lace, bric-a-brac and other valuables worth \$500, taken from her home, No. 715 Fifth avenue, before last May. Only very few of the articles had been missed.
To learn that she had been robbed was a very great surprise to Mrs. Wright, but not more so that her own maid also discovered from detectives that Miss Dolores Peters, 20 years old, formerly a governess in the Wright home, was under arrest charged with the robbery.
Detectives Surprised.
Miss Peters' arrest was the result of her report a week ago that she had lost a diamond ring. Detectives sent to question her found the girl living in a small furnished room, but surrounded with a multitude of objects of great value.
Upon an umbrella with a gem-studded handle they noticed initials, "M. R. W." and identified the initials as those of Mrs. Wright. Then, taking a photograph of Miss Peters, they went to see Mrs. Wright.
Identifies Many Articles.
Mrs. Wright remembered having lost the gemmed umbrella and was amazed when told that Miss Peters had it. Visiting the room of the young woman, she identified many articles as her own.
When confronted by Mrs. Wright, Miss Peters fainted and was revived by her former employer, who declared she would not prosecute the girl. "My object is to keep girls out of prison and not to send them there," said Mrs. Wright.
